

Welcome

Welcome to latest edition of the Calm & Gentle Dental Care Newsletter. In this month's chilly edition, we'll be unveiling a monthly offer that will keep your teeth warm for the winter, a staff update that brings Calm & Gentle Dental Care Rustington into the 21st Century, and a charity close to our hearts.

As always, if you have any feedback at all (good, or bad), please don't hesitate to drop us an email at:

feedback@calmandgentledentalcarerustington.co.uk

That's it from me for this month - look forward to seeing you soon.

Best wishes,

Dr Kray

Crowns in a day with CEREC

This month, our monthly offer is only available to our loyal Care Plan members! Keep your teeth protected from the winter chill with our stronger than strong CEREC Same Day Crowns.

Has your dentist told you, you need a crown on that tooth with large filling? Maybe you thought about it and decided, "I'll leave it alone for now". Well, if your dentist has suggested you need a crown, he is trying to

prevent a problem down the line. We are so passionate about protecting our patient's teeth and for them to benefit from this amazing technology, we are offering you the chance to have your teeth protected with a saving of £190 for the month of November only! To find out more about this offer or our Care Plan, call us today on 01903 444122 or read more below...

Don't Delay, this offer ends November 30th!

What's new in the world of dentistry?

More About Our CEREC Crowns...

If you're not really sure what a crown is, our dentists have put together a nice easy sentence that sums it up: it is a porcelain (sometime different materials are used) cap that fits on your natural tooth. So how do you get the crown on the tooth?

Well, the natural tooth is trimmed by a few millimetres and the crown is milled to fit perfectly over the trimmed tooth. This treatment is perfect for patients with large fillings or teeth that are vulnerable due to other factors such as a heavy bite.

Our CEREC Same Day Crowns look just like natural teeth and are prepared and placed in just one hour, sometimes even less!

HOPE**

The fundraising charity supporting children's healthcare needs

Every seed can plant a tree...

Every month, we offer a new charity for our patients to support alongside us. However, we've decided to split this up a little more, and spread one charity over two months.

Our charity for the months of November & December is Tree of Hope, a charity that deals with children who are very sick. The charity helps to raise money to support the daily lives of these children and their families, including bursaries that can help to make houses and cars accessible via wheelchair, but the primary purpose of Tree of Hope is to help raise money for life-altering operations that are not yet readily available through the UK healthcare system.

We will be raising money to go toward the charity over the course of the next two months.

Our Goal is to raise £1000 for the end of the year, that's £33 per day - which is £2 per patient!

If you are able to give, then please donate to a worthy cause and make 2018 an easier year for the children with life-debilitating illnesses.

As always, we will also have poppies to buy on the front desk for Remembrance Sunday throughout the month of November.

Testimonials

Each month, we ask you to review us on Google & Facebook to tell us if we're doing good job. This month, we also have a new page on our website that allows you to upload your messages, videos or pictures so, you can tell us how you feel, share before and after photos, or send us a video to your favourite dentist! Staff Update...

This month, we have a very special staff update - we have a brand new website!

This includes information on all of the treatments we offer, a meet the team page that gives you the chance to meet all of our lovely staff members and more!

We decided it was time for a face-lift - and to match our new branding, we felt like we had to really change our Online profiles too, so, without further ado, we present the new Calm & Gentle Dental Care Rustington website:
